Director

Fresh Fruit & Vegetable Inspection Service

## USDA GAP / GHP Audit Verification Services Fee Schedule – Effective January 1, 2010

Uniform fees charged for USDA GAP/GHP audits were established by USDA, AMS, Fruit and Vegetable Programs.

### USDA GAP / GHP Audit:

<b>Hourly Rate</b> .....	\$ 92.00
<b>Overtime Rate</b> .....	\$138.00 per hour
<b>Travel Time</b> .....	\$ 92.00 per hour
<b>USDA Administrative Fee</b>	\$ 50.00 per annual audit
<b>USDA Additional Fee/Sysco Audits</b>	\$ 50.00 per audit

Hourly rates will be charged based upon actual time incurred while performing audits.

Overtime rates will apply when overtime is incurred during the performance of audit activities.

Overtime will also be charged on all hours for audits performed on all legal holidays recognized by the State of Idaho.

Travel time will be prorated between applicants as nearly as possible when an auditor is conducting consecutive audits in the same area. Travel time will be recorded to the nearest 1/4 hour required for travel to and from the audit site(s).

Crops must be actively growing for a Farm Review.

Harvesting activities must be occurring for a Field Harvest audit.

Packing activities must be occurring for a House Packing audit.

### USDA GAP/GHP Audit:

**Services** .....

A third-party USDA GAP/GHP audit can include some or all of the following areas depending on the applicant's request;
