600. IMPORTATION OF DOMESTIC CERVIDAE.

Domestic cervidae may enter the state of Idaho, by permit, provided: (5-3-03)

01. Certificate of Veterinary Inspection. The cervidae are accompanied by a certificate of veterinary inspection certifying that they have been inspected within thirty (30) days prior to the date of shipment, that they are

free from evidence of infectious, contagious, or communicable diseases, or known exposure thereto during the preceding sixty (60) days; and (5-3-03)

02. Meet Testing Requirements. The cervidae shall meet the testing requirements of Section 601. (5-3-03)

03. National CWD Herd Certification Program Participation. All cervidae must originate from a herd that is in good standing and actively participating in the National CWD Herd Certification Program. (3-20-14)

04. Deworming Requirement. All cervidae are required to receive anthelmintic, approved for treatment of *P. tenuis*, within thirty (30) days prior to import into Idaho. Treatment must be documented on the certificate of veterinary inspection. ()

05. *P. tenuis* Statement. The certificate of veterinary inspection accompanying the cervidae shipment must contain the following written statement from the accredited veterinarian on the certificate: "No cervids identified on this certificate of veterinary inspection have displayed symptoms consistent with *P. tenuis* infection. These cervids have neither been exposed to *P. tenuis* or originated from a premises where *P. tenuis* has been identified." ()
