Brian Oakey, Deputy Director
Idaho State Department of Agriculture
PO Box 790
Boise, ID 83701

Dear Mr. Oakey,

The Idaho Bean Commission does not oppose the proposed rule change to IDAPA 02.06.25 to add a small trial ground exemption with specifying inspection in lieu of disease testing for non-Phaseolus beans of small seed lots of two pounds or less.

Please feel free to contact me with any questions or concerns.

Sincerely,
