

**IDAHO STATE DEPARTMENT OF AGRICULTURE ("ISDA")  
PETITION TO INITIATE RULEMAKING**

All rulemaking petitions must substantially comply with IDAPA 04.11.01.820, which addresses petitions to initiate rulemaking as described by Section 67-5230, Idaho Code. The requirements have been laid out below. ISDA will consider all petitions and act to either initiate or deny rulemaking in accordance with I.C. § 67-5230(1) and IDAPA 04.11.01.821.

Please note that ISDA may only conduct rulemaking within the authority provided it by statute in order to govern the department's jurisdiction. See I.C. § 22-101(3). Prior to petitioning ISDA, please verify and understand the authority of ISDA as it relates to the petition's desired outcome. If a petition for rule change is outside of ISDA's legal authority, it will be denied.

Name of petitioner(s): Angela K. Rossmann  
Address of petitioner: 400 N. Promontory Rd Boise, Idaho 83702  
Phone number of petitioner: 208 867 2280  
Email address of petitioner: angelarossmann@yahoo.com

Petitioner's interest in matter:

To protect people, domestic animals and wildlife from fatal ingestion particularly within the urban and wildlife interface in Idaho. This particular species of ornamental yew is known to be fatal but has been used in landscape.  
Describe the nature of the rule or amendment to the rule and the petitioner's suggested rule or amendment:

list the ornamental yew as a prohibited species  
Japanese, English and Chinese yews - popular in landscaping  
to impede sale or prohibit sales for the spring period

Name of the statute, order, rule or other controlling law:

02.06.22 (000,61)  
Nuisance Weed Rules

Factual allegations upon which the petitioner relies to support the proposed rulemaking:

deaths from wildlife from ingestion of ornamental yew
