ISDA ANNOUNCES FALL SCHEDULE FOR UNUSABLE PESTICIDE DISPOSAL PICKUP

Collections scheduled for eastern and south-central Idaho are safe, legal and free

BOISE, Idaho – Agricultural producers, dealers, professional applicators and homeowners who are storing unusable pesticides will have a safe, legal and free opportunity to dispose of them this September when the Idaho State Department of Agriculture conducts its annual fall unusable pesticide collections.

Pesticides include herbicides, insecticides, fungicides, rodenticides or anything with a "cide" at the end. They should be brought to the nearest collection site between the hours of 9 a.m. and 1 p.m. on the date and location listed below. (Sorry no fertilizer, micronutrients, paint, solvents or motor oil can be accepted)

	9 a.m.– 1 p.m.	Collections will be held at:
REXBURG	September 8, 2014	Madison County Transfer Station 530 Airport Rd., Rexburg, ID
IDAHO FALLS	September 9, 2014	Bonneville County Transfer Station 2455 Hemmert Ave., Idaho Falls, ID
BLACKFOOT	September 10, 2014	Eastern Idaho State Fairgrounds 97 Park St., Blackfoot, ID
AMERICAN FALLS	September 11, 2014	Power County Transfer Station 2950 Landfill Rd, American Falls, ID

"Since 1993, the Idaho State Department of Agriculture has safely disposed of over 1.6 million pounds of unusable pesticides. Pesticides become unusable for many reasons, including loss of potency, exposure to temperature extremes, cancellation or suspension by state or federal authorities, or growers' decisions to change their cropping rotations or practices," said Victor Mason II, manager of the department's pesticide disposal program.

Questions about these collections or other collection dates can be answered by calling your local ISDA field office, or by calling the Boise office at 208-332-8628.

All collections run from 9 a.m.-1 p.m. Assistance and other information about the collections are available at: www.agri.idaho.gov
