ISDA ANNOUNCES FALL SCHEDULE FOR UNUSEABLE PESTICIDE DISPOSAL PICKUP

Collections scheduled for eastern and south central Idaho are safe, legal and free

BOISE, Idaho – Agricultural producers, dealers, professional applicators and homeowners who are storing unusable pesticides will have a safe, legal and free opportunity to dispose of them when the Idaho State Department of Agriculture conducts its unusable pesticide collections.

Pesticides include – herbicides, insecticides, fungicides, rodenticides or anything with a “cide” at the end and should be brought to the closest collection site between the hours of 9:00 a.m. and 1:00 p.m. on the date and location listed below. (Sorry no fertilizers, micronutrients, paint, solvents, or motor oil can be accepted)

Collections will be held at:

REXBURG	August 31, 2015	Madison County Transfer Station 530 Airport Rd., Rexburg, ID
IDAHO FALLS	September 1, 2015	Bonneville County Transfer Station 2455 Hemmert Ave., Idaho Falls, ID
AMERICAN FALLS	September 2, 2015	Power County Transfer Station 2950 Landfill R., American Falls, ID
BURLEY	September 3, 2015	BLM – Burley Field Office 3630 Overland Rd., Burley, ID

“Since 1993, the Idaho State Department of Agriculture has safely collected and disposed of over 1.75 million pounds of unusable pesticides. Pesticides become unusable for many reasons, including loss of potency, exposure to temperature extremes, cancellation or suspension by state or federal authorities, or growers’ decisions to change their cropping rotations or practices,” said Victor Mason II, manager of the department’s pesticide disposal program.

Questions about these collections or other collection dates can be answered by calling your local ISDA field office, or by calling the Boise office at 208-332-8628.

All collections run from 9AM – 1PM
Assistance and other information about the collections are available at:
