## ISDA ANNOUNCES FALL SCHEDULE FOR UNUSEABLE PESTICIDE DISPOSAL PICKUP

*Collections scheduled for eastern and south-central Idaho are safe, legal and free*

BOISE, Idaho – Agricultural producers, dealers, professional applicators and homeowners who are storing unusable pesticides will have a safe, legal and free opportunity to dispose of them this September when the Idaho State Department of Agriculture (ISDA) conducts its annual unusable pesticide collections in Rexburg, Idaho Falls, Blackfoot and Preston.

Participation is **free** for the first 1,000 pounds of unusable pesticides per participant. Pesticides include herbicides, insecticides, fungicides, rodenticides or anything with a "cide" at the end and should be brought to the closest collection site between the hours of 9 a.m. and 1 p.m. on the date and location listed below. (Sorry but no fertilizer, micronutrients, paint, solvents or motor oil can be accepted)

Participants will need to register the total number of pounds of pesticides that they are disposing by calling their local ISDA field office, or by calling the Boise office.

**Idaho Falls ISDA office -** Craig Carlson at (208) 525-7037 or Sabrina Lear at (208) 525-7071  
**Pocatello ISDA office -** Steve Riedy at (208) 236-6091 or Kenneth Funk at (208) 236-6352  
**Boise ISDA office -** Victor Mason II at (208) 332-8268 or Laura Morris at (208) 332-8605

"Since 1993, the Idaho State Department of Agriculture has safely disposed of over a million pounds of unusable pesticides. Pesticides become unusable for many reasons, including loss of potency, exposure to temperature extremes, cancellation or suspension by state or federal authorities, or growers' decisions to change their cropping rotations or practices." said Victor Mason II, manager of the department's pesticide disposal program.
